## ➤ **NEW SERVICES AT DAMAK**

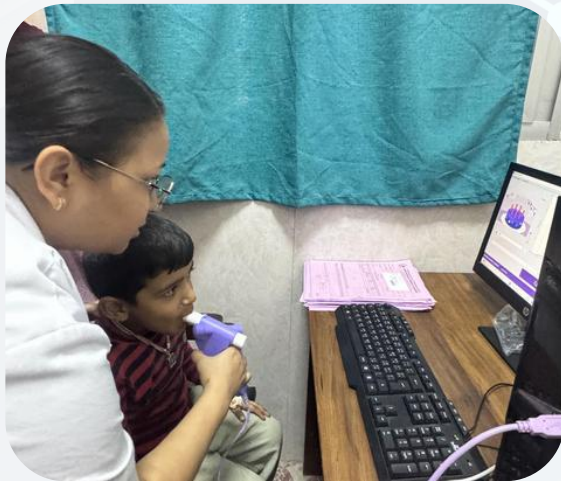

### **START OF ROUTINE IMMUNIZATION SERVICE**

KIOCH Damak Children's Hospital is proud to launch its Routine Immunization service, providing essential vaccines to protect children from preventable diseases. This initiative reinforces our commitment to child health and a healthier future for our community.

Parents can now bring their children for vaccinations in a safe and supportive environment. Our dedicated healthcare team is ready to guide families and ensure timely immunization. We invite everyone to take advantage of this vital service and help safeguard future generations.

### **START OF LUNG SPIROMETRY SERVICE**

KIOCH Damak Children's Hospital is excited to introduce Lung Spirometry, the first of its kind in Damak! This advanced diagnostic service aims to support children suffering from atopic conditions by providing accurate lung function assessments. With this initiative, we strive to improve early diagnosis and management of respiratory issues in children. Our expert team is committed to delivering high-quality care, helping thousands breathe easier and lead healthier lives.

## ➤ ROTARY CLUB OF HIMALAYAN GOLFERS VISITS KIOCH, PLEDGES SUPPORT

The Rotary Club of Himalayan Golfers recently visited the Kathmandu Institute of Child Health (KIOCH) to witness the progress of the hospital's construction. During the visit, KIOCH Chairman Dr. Bhagawan Koirala provided a detailed briefing on the project and its advancements.

The club members were deeply impressed by this unique and noble initiative led by their fellow Rotarian, Dr. Koirala. Recognizing the significant impact this hospital will have on children's healthcare in Nepal, they wholeheartedly pledged their support to help bring this vision to life.

KIOCH extends its gratitude to the Rotary Club of Himalayan Golfers for their encouragement and commitment to this cause.

## ➤ LEARNING CONTINUES AT KIOCH DAMAK

Learning continues at KIOCH Damak Children's Hospital with a CME on Pulmonary Function Tests, led by a specialized Pediatric Pulmonologist. This session aims to enhance medical professionals' knowledge and skills in diagnosing and managing respiratory conditions in children.

Through expert insights and hands-on learning, our team remains committed to providing the best care for young patients. Such educational initiatives ensure we stay at the forefront of pediatric respiratory health.
